

AIKSHA

AI shiksha for every Indian classroom

aiksha.in

2026-27 edition

A complete CBSE-aligned Computational Thinking + AI programme.

FOUR PILLARS, ONE OUTCOME

Every classroom AI-ready.

1 Curriculum Pack

15-slide deck + textbook chapter + teacher notes for every CBSE chapter, Class 3 to Class 10.

115 chapters · 345 documents · branded for your school

2 Train-the-Trainer

5-day intensive plus 6 monthly mentoring touchpoints. We certify on live practice, never on paper.

AIKSHA Certified Trainer · WhatsApp helpdesk · annual recertification

3 Lab Platform

Class-code login. AI study buddy with RAG over the CBSE handbooks. Runs on your school's LAN behind HTTPS.

Azure OpenAI or local vLLM · Redis cache · privacy-first

4 Continuous Support

Quarterly content refresh, parent-comm kits, and an annual AIKSHA Exhibit where every class showcases AI work.

Quarterly updates · WhatsApp helpdesk · annual exhibit
